

On-board Computer Taxi (BCT) (Boordcomputer taxi (BCT))

| Who is requesting? | | What kind of request? | Legal basis | Answer Kiwa |
|--------------------|-------------|---|---|--|
| Businesses | Employer | Status | Article 6, lid 1, sub f An employer should be able to look after the interests of the employee, in order for them to do their job. | Kiwa should be able to inform an employer about the status of an application, if they have submitted it. An exception occurs when the employee has submitted their own application. Then the information will not be given and the employer will be referred to the employee. The employee can issue a statement (through e-mail or telephone) to declare that the employer will look after their interests. |
| | | Substantive information about documents | Article 6, lid 1, sub f An employer should be able to look after the interests of the employee, in order for them to do their job. | Idem. Kiwa can discuss the requirements that an applicant should meet for a chauffeurskaart. These requirements can also be found on our website. Kiwa Register will not share substantive information about sensitive personal documents. |
| | | Verification | Article 6, lid 1, sub f An employer should be able to look after the interests of the employee, in order for them to do their job. | Kiwa should be able to inform businesses about validity of licenses or permits of their employees, so that they can do their job. It is therefore in the interest of both the employee and the employer that the first is able to verify the validity of the latter's document. Kiwa Register only answers verification questions by saying "is valid and issued by us". New personal data is thereby not shared. |
| | Instructors | Status | Article 6, lid 1, sub f An instructor should be able to look after the | Kiwa should inform an instructor about the status of an application, if they have submitted it. An exception occurs when the candidate has submitted their own application. Then the |
